## INTRODUCTION

---

In this edition of the Roster of State and Local Officials, we have listed first the elective state officers, and then statutory executive or administrative departments in alphabetical order.

Following this is a listing of the chief administrative officers and trustees of state institutions. The federal, county, city and township listings complete the directory.

This information is obtained, for the most part, from local officials. We have checked the listings with all available reliable sources, and feel confident that this material can be relied upon for practical purposes. However, there is some possibility of error in names and addresses, and we would appreciate being advised of any needed changes or corrections.

Free copies of the Roster may be obtained by addressing the State Board of Accounts, State House, Indianapolis 4.
